

HC-1-READY

Our "Ready Line" key cards represent one of the best values in guest room key cards on the market today. Their custom look and exceptional dependability make them the perfect choice for the quality conscience hotel on a budget. Made to meet or exceed original manufacturer specifications, these key cards are always in stock and ready to ship. The backside is available with a variety of specific instructions for operating the many popular electronic locking systems currently in use today. Choose from three popular graphics.

HC-1-LOGO

Our "Logo Line" key cards proudly and attractively display your hotel's respected logo in the proper colors! Made to meet or exceed original manufacturers specifications, these cards are always in stock and ready to ship. Durable lamination keeps these cards looking attractive and lasting longer than many of the so-called "bargain" cards on the market. Available with instructions to accommodate all the popular electronic locking systems. If you want a dependable, quality made key card for your property at a very reasonable price, the "Logo Line" is the perfect choice!

HC-1-CUSTOM

The custom cards are the perfect way to enhance the image of your property. Their appeal tells your guests their staying at a property that takes pride in their guest services. Designed to meet or exceed original manufacturers specifications, these cards offer superior dependability along with outstanding appeal. We takes great pride in working with you to make your custom card stand out from all the rest!

HC-1-SPECIAL

Our "Special Event" Guest Room Key Cards set the new standard for welcoming your guest who is in town for a convention, trade show, or conference. While it is a small detail, it makes a great impression on the guest as well as the organizers. It says your property wants to make their stay a special one! We can place schedules, organization logos, or any graphic on these cards that fit the occasion.
